

Chartwell Announces Impressive Deployment Time for Globet

Chartwell Technology Inc.

TSX:CWH

Calgary, Canada, September 21, 2010, Chartwell Technology Inc. (TSX: CWH) (“Chartwell”), a leading provider of games, gaming systems and platform for the regulated online casino gaming industry is pleased to announce that it has launched its online casino product with **Globet International Sports Betting Limited (“Globet”)** within eight weeks.

The comprehensive games suite is now live on **Globet’s** website (www.globet.com) and was deployed within an impressive eight-week window from initial discussions to the official launch, and has positioned **Globet** for Chartwell’s full complement of over 100 casino games. This includes **Chartwell’s** latest Q3 release of five games from four product categories including unique in-house and best-of-breed licensed slot and table games.

“Having an established brand like **Globet** choose Chartwell demonstrates the quality of our Games Platform and the commitment from our team to deliver successful online casino products,” **states Dan Phillips, Chief Executive Officer of Chartwell Games (International) Ltd.** “More importantly, the ability to launch within eight weeks highlights Chartwell’s continued flexibility and commitment to develop, source and deliver the highest quality casino content for our clients. It is a good precedent for future and soon-to-be announced client launches.”

About Globet

Globet International Sports Betting Limited was established in 1995 and is a top European bookmaker based in London. With a predominantly European client base of over 500,000 punters, Globet services these customers with a staff of 50. Globet is a member of IBAS (Independent Betting Arbitration Service) and the RGA (Remote Gambling Association) and is regulated by the UK Gambling Commission and Gibraltar Regulatory Authority.

About Chartwell

Chartwell specialises in the development of leading-edge games, gaming systems, and platform for the regulated online casino gaming industry. Chartwell is certified or licensed to offer a range of services in all of the leading regulated online gaming markets. Chartwell is not a gaming operator; our clients own their brands and databases entirely and exclusively. Chartwell's team of highly trained professionals is committed to delivering the highest quality software and maintaining its market edge through continuous development and unparalleled customer support.

Chartwell invites you to preview our company and gaming applications at www.chartwelltechnology.com.
